## Zavalata Waterfront Fiscardo, Cephalonia

Zavalata Waterfront enjoys the most idyllic location, sitting quite literally on the water's edge, looking across the water to the island of Ithaca!

The property is the original family house of the owners of Porto Fiscardo (see online), whose facilities are fully available to Zavalata Waterfront guests. Each of the three floors is home to a self-contained apartment with two or three-bedrooms.

Exclusive Escapes

In addition to the extraordinary waterfront setting, each apartment is comfortably furnished with a kitchen that allows you to self-cater on those rare days you may choose not to eat out in one of Fiscardo's many restaurants.

Steps lead down to the swimming platform which is shared with your fellow Zavalata Waterfront guests. Additionally the nearby Porto Fiscardo pool area with its two terraces is available for your enjoyment. The delightful Aristeia (who runs both properties) spends much of her time here in the Pool Bar, where drinks, light lunches and snacks are served daily – thus providing a hotel-like service for all the apartments.

Relax and enjoy the truly stunning location.

---

In our opinion the use of a motor boat completes the whole Fiscardo experience, offering a unique and unusual opportunity to explore the island from a different vantage point. We therefore provide special rates for our 'Pre-booked Motor Boats'.

These small motor boats come with our highest recommendation as they allow guests to explore the coastline around Fiscardo in a manner that few have the opportunity to do – discovering its many bays and inlets which are often completely deserted. In addition, they can even be used to visit the nearby island of Ithaca.
