Exclusive Boutique Hotel

The hotel is stunningly located in the peace of a forest, high on the mountainside above Turunç Bay – here, guests can luxuriate in the space, comfort and elegance of a private villa whilst enjoying the hotel services provided by the charming owners, Sevgi, Mustafa and their son Murat, who are entirely focused on providing a high level of service and comfort – indeed, Piyinar Villa Hotel is consistently one of our highest rated properties by guests.

This special property was designed by the award-winning architect Ayten Antay – who was also responsible for Dionysos (see online), and it is named after the five-hundred-year-old oak tree that dominates the entrance. This actually sets the theme for the entire hotel, with each suite being named after indigenous trees of the region, many of which can be found within the grounds.
